A PORTRAIT OF . . .

Reflections on PHS
. . . '79-'80

It was a time for change,
a time for growth,
Though many of us were
quite loath
To say adieu to a
staircase, a window,
a view,
All for the sake of
something new.

World War II echoes in
the hall,
It's just another brick in
the wall.

Jackhammer clamor,
second-floor tremor.
It's just another crack in
the cafeteria wall.
Dust, smog, New York
City grit,
Because of this, we can't
wait to split.

. . . THE WAY WE WERE

It was a time for change,
a time for staying the
same.
Boring, brown study halls,
Hearty party at the falls,
Autumn haze and a soccer
game,
Tuesdays and Thursdays, C
and D,
Double drab, chem lab,
Snowless winter, such mono-
tony!

June eleven heaven,
So near, yet so far,
Early dismissal to work for
my car.

Will you think of us next
year,
when before becomes
after?
Will you remember our
footsteps
and our laughter?

DEDICATION

We the Proctorian staff are delighted and honored to dedicate our 1979-1980 publication to one of our most dedicated and respected teachers here at Proctor High School, Mrs. Dalto.

You, Mrs. Dalto, have shown a vast amount of patience and understanding to all those students who have been lucky enough to pass your way. You have been the source of unfailing guidance and care to the Proctorian staff.

Our school is fortunate enough to have acquired the knowledge, skill, and leadership of Mrs. Dalto, which has helped make our years at Proctor High memorable ones.

Activities

CHORUS

The high school chorus, under the direction of Reeta Coughenhour, was very active this year. In addition to the annual winter and spring concerts, many chorus members participated in the annual Green Mountain Regional Festival, held this year at Mill River Union High School. Also this year, four members of the music department were chosen for the All-State concert in Burlington, and two members were chosen for the All-New England concert in Glastonbury, Connecticut.

A performance was given for the public in the Proctor High School Gymnasium. Once again, Proctor participated in the District One-Act Play Festival held this year at Mill River Union High School. Unfortunately, we were not chosen to go on to further competition, but there's always next year!

PUBLICATIONS

The Proctorian and Sutherland staffs were again successful in producing high quality student publications under the leadership of Mrs. Dalto and Mrs. Sherman.

This year's Proctorian staff is the largest ever. Our new publisher made it possible for us to produce a bigger and better quality book.

Again this year, representatives from both staffs attended the CSPA Convention in New York City. The Sutherland was awarded second place in the CSPA Newspaper Competitions.

We hope both staffs will continue the good work in the future years!

ASSEMBLY COMMITTEE

The assembly committee arranged many assemblies this year with financial support from the Touring Aid Program of the Vt. Council of the Arts. They started it off with an excellent performance by the Navy Rock Band, followed by two plays, a demonstration of soundweaving, and ended the year with an encore presentation of Rosenshontz.

STUDENT COUNCIL

This year the Student Council was headed by President Jeff Farnham. A record amount of \$193 was collected for UNICEF. The Student Council also sponsored its annual blood drive. The Student Council continues to serve as an active liaison between the student body and the administration.

They stayed at the Skyling Inn in downtown Washington. Students were able to meet other students from all over Vermont.

FUTURE HOMEMAKERS OF AMERICA

Future Homemakers of America, headed by Mrs. Milnes, is a new club at P.H.S. Some of their activities included preparing food for the School Board Meetings and attending the district meeting at Okemo Lodge in Ludlow. At the end of the year, two members were chosen to attend the leadership conference in Randolph.

SENIOR PROM

The Senior Prom, taking the place of the annual Winter Carnival Ball, was held in April this year. Last year's queen, Ann Loso, returned to crown Ellie Socinski. The Queen's court was made up of seniors Diane Anderson, Terri Ballou, Nan Izzo, Beth Triller, and juniors Randee Felie and Karen Blanchard. The band this year was 44 Magnum.

WINTER CARNIVAL

A few changes were made in this year's winter carnival because of the lack of snow, such as the elimination of snow sculptures. The eighth grade came in first in the overall competition. The talent show was won by Kathy Clark and Trish Matusiak who sang a medley of songs accompanied by Karen Patch on the saxophone.

FRENCH CLUB

This year was the first year for the French Club at P.H.S. The members raised \$2,147 through three bottle drives, a food sale and a raffle. Twenty-five students and their advisor, Mrs. May, went on a four-day trip to Quebec City and Montreal on April 10-13. The students stayed in the Auberg des Gouverneurs Hotel in Quebec City and the Hyatt Rege in Montreal.

The ceremony was held on April 30th. President Greg Santoro made the introductions, and old members Diane Anderson, Kevin Jones, Sherry Wheeler, and Ellie Socinski made speeches on character, leadership, scholarship, and service. The new members received certificates and pins.

VARSITY FIELD HOCKEY

Headed by their new coach Lynn Johnson the girls ended their season with a 7-7 record. They beat Rutland twice in the season at home 4-2 and at Rutland 1-0.

The team was captained by seniors Di Anderson, Ellie Socinski, and Nan Izzo. Sophomore Reeny Triller and high scorer Di Anderson were CVGAL All-Stars.

The girls are looking forward to a great season next year even though they're losing 8 seniors to graduation.

VARSITY SOCCER

The boys ended their season with a spectacular 10-3 record. Led by Coach Kixie Austin the boys won their playoff, quarterfinal and semi-final game, only to be stopped from winning the Class M title by Sacred Heart 1-0.

High scorers were junior Bernie Loso and sophomore Kevin Ratti. The team was captained by seniors Jim Mogan, Wally Tarazewich, and Ernie Racette.

Next year's team is anxious to capture the Class M title to keep up the Proctor soccer team tradition.

J.V. SOCCER

The J.V. boys had a spectacular season with returning coach Dave Buskey with only one loss and eight victories.

Scott Anderson led the team with the most goals for the season. The team was captained by junior Tim Marceau.

Even though many of last year's J.V.'s are looking toward next year's varsity team, they'll still have a lot of team members left waiting to better their record.

Karen Benoit's winning goal.

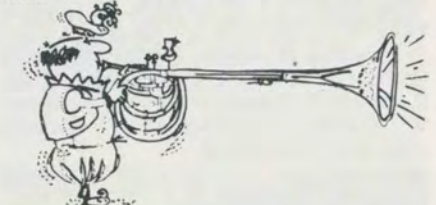

Their final record was 4-3-2. They hope to have a strong team with next year's oncoming freshmen!

VARSITY CHEERLEADING

PHS had a fine cheerleading squad captained by juniors Trini Caceres, Randee Felie, and Jean Simonds.

The cheerleaders aroused a lot of spirit from the Phantom, helping us show the players we were behind them all the way.

Left-right, T. Caceres, D. Martinez, J. Simonds, R. Mossey, R. Felie, L. LaFrance, J. Curtis

VARSITY BOYS' BASKETBALL

With only one returning senior at the beginning of the year and some major injuries the boys' team had a lot of obstacles to overcome before they could concentrate on making the playoffs.

The team was captained by junior Mike Fiske and senior Jim Morgan. Their record didn't show the obvious skill and teamwork this team had.

Mike Fiske was named an MVL All-Star this year. They are looking hopeful for next year so that they can better their skills and their record.

Kneeling, B. Adams, J. Fiske, J. Morgan, M. Fiske, S. Anderson; standing, Coach Ezzo, D. Lertola, D. Garrow, Z. Horvath, B. Skjetne, W. Trombley, M. Miglorie, T. Marceau; missing, R. Shackelford

The girls, under the watchful eye of their new coach Richard Alberti, had a good start into their season by winning the annual Ludlow Tournament. Penny Finch, Ellie Socinski, and Reeny Triller won most valuable player awards.

The team, captained by seniors Beth

Triller and Ellie Socinski, ended the season with a 7-13 record. They made it to the playoffs but lost to West Rutland 53-38. Reeny Triller took the high scoring honors.

The team looks very persuasive as a 1980-81 contender, a potential threat to next year's CVGAL teams.

VARSITY GIRLS' BASKETBALL

Kneeling, E. Socinski, B. Triller; standing, K. Goodrich, S. Luso, M. Smith, J. Brell, Coach Alberti, K. Russell, R. Triller, M. Curtis, E. Tilden

JV BOYS' BASKETBALL

The JV boys, coached by Kevin Keefe, lost more games than they won. Their wins were taken by small point margins while the losses experienced were by large margins. The team performed well during the '79-80 season.

Kneeling, S. Anderson, B. Loso, B. Adams, R. McPhee; standing, E. Supancic, T. Marceau, W. Trombley, K. Thompson

JV CHEERLEADERS

The voices of the peppy JV cheerleaders could be heard distinctly and loudly from the bleachers and floor during the JV games. The vocal support was also echoed during those tense moments on the varsity lines.

... and so it goes

CROSS COUNTRY

This year marks the second consecutive season for the cross-country team coached by Roy Pilcher. The boy's team included Jon Baker, Jeff Cook, Peter Jalbert, Kevin Jones, and Kevin Wheeler. The girl's team had only three members: Andrea Jones, Lynn Pilcher, and Marie Smith. As this was not enough for a team, the girls competed individually.

The season started with an MVL pre-season meet at Mill River and concluded with the state finals in Montpelier in November. Everyone competed well against more experienced teams. One Phantom runner, Jon Baker, was elected to the MVL All-Star team.

The Proctorian apologizes to the cross-country team for not including any pictures of them. Our excuse? None were taken!

VARSITY BASEBALL

Ending the 1980 baseball season as state runners-up the Proctor Phantoms finished with a 10-10 record. Beating Poultney, Ludlow, and B.F.A. in the play-offs, the Phantoms didn't fare as well against Oxbow's Bob Valliant in the finals. Although Mike Fiske pitched a fine game for Proctor, the teams usually strong offense couldn't operate against Valliant's tough pitching. Bjarne Skjetne spoiled Oxbow's hopes for a no-hitter when he laid down a perfect bunt in the seventh inning.

Despite their ten losses the Phantoms, coached by Wade Mitchell who was assisted by Lee Orvis, played hustling games throughout their schedule, six of which were lost only by one-run deficits. Mike Fiske was elected to the M.V.L. All-Star team for his strong pitching game.

JV BASEBALL

The JV baseball team ended their season with a 3-5 record, losing twice to Rutland and splitting their remaining games. Coach Dave Buskey resigned in the middle of the season and was replaced by Floyd Lanphere. With a 1-3 record Lanphere managed to pull the team to 3-5. Speedy Sean Sule claimed two home runs while Scott Stratton was credited with one.

SOFTBALL

The girls' varsity softball team improved last year's record impressively by ending the season with a 4-12 regular season and a 5-13 overall record. Their five wins consisted of defeating Poultney and MSJ twice apiece and also overtaking Whitcomb High in the Group II division quarter finals.

Having been selected to participate in the Division II playoffs, they easily won that quarter-final match. This qualifying victory sent them to Bethel to compete against Rochester for the semi-final win. They were defeated, however, in a tight battle by a score of 13-9.

In her first year of softball coaching Lynn Johnson has worked extremely hard with her girls and has done an exceptional job improving skills and introducing new ones.

GOLF

The 1979-80 golf team, coached by Mr. Wolyne, had almost an even season by winning 8 matches and losing 9. For the first time the golf team qualified as a varsity sport. Letter winners included Dick Anderson, Scott Anderson, Chris Perkins, and Greg Santoro, Bill Allard, Caroline Curtis, Joe Saceric, Charlie Zani, and Robert Shackelford made up the remainder of the team.

SPORTS BANQUET

The annual sports banquet, sponsored by the Phantom Boosters, honored the many students at P.H.S. who were active in the athletic program. Several of the teams which participated in various tournaments, including varsity girls', junior varsity boys' and junior high girls' basketball teams and the varsity soccer team, presented trophies to Mr. Tracy. Matt Kilcullen, varsity basketball coach at Castleton State College, was the guest speaker.

The Buzzell-Gallus Award was given to Jim Morgan for outstanding improvement and sportsmanship in soccer.

In the year 2000...

Bean is the proud owner of Proctor's new hot spot, "Beano's Bar and Grill." It's located, where else? below the falls.

Diane Gray, the former Diane Anderson, has set up her own nursery school. So far her only enrollments are her ten little Grays.

Terri Ballou, after 20 years of being a dental hygienist, found she couldn't look down another mouth. She moved to the deep woods of Chittenden where she can be found practicing on her pets.

Jeff Barney has become a successful hog farmer. Jeff's secret to producing prize winning pigs is to play music to them. So far Jeff's earnings have gone into advanced hi-fi systems he can carry over his shoulder.

Rob and BJ formed the fantastic group "The Cosmic Outlaws". Whenever they're not on a world tour, they can usually be found at Pico where they moonlight as ski instructors.

Cara became a star pitcher for the softball team, the Proctor Bluebells. Cara helped found the team and said the one skill that helped her make it big was her ability to dodge balls hit directly at her.

Hurley lost so much weight after graduation that it seems he just vanished into thin air.

Laurie Coons, after years of living next to a chicken farm, decided poultry was for her. She is now the proud owner of Laurie's Lovely Livestock.

Jessie owns a chain of Tyrol motels that spreads across the country. Jessie, who was always keen on attendance, hasn't seen a day's work in the last 20 years.

Pat has his own dog walking service called "Pat's Prancing Pooches". For \$20 he will walk your dog anywhere you want.

Dave, after working for UPS all these years, finally saved up enough money to marry Kim. They now live in Carlsbad, California, where they are raising their three kids.

Because Shella was very accident prone, she decided that she should invest her money in the health field. She now owns Rutland Hospital and she gets free care whenever she needs it.

Penny made it big in art and changed her name to Penny Van Finch. She can be found in her garret in New York City where she recently cut off her right ear. She sent it to Mrs. Dawson in appreciation of all the help she gave her in her early days.

Charlie became the proud owner of Godzik's Game Farm. Every week he can be seen out in the field hauling home the catch of the day for Patti to cook.

Nan Ratti, the former Nan Izzo, married Kevin who became manager of the NY Yankees. Nan helps the team by x-raying the bones of Kevin's players. They don't have a house yet because they spend most of their time in the dugout.

After Pete got out of the Air Force, he joined a professional hockey team. He is now married and he and his wife own and run their own hockey camp where he coaches neighborhood kids.

Kevin graduated from U.V.M. and started his own complaint company. People will pay Kevin to call stores, offices, schools, etc. and complain for them. He is very successful at this since he got a lot of practice in high school.

Jeff LaFrance went on to college in New York City where he received his degree in bragging. He recently opened his own school for anyone interested in getting more out of their bragging.

Allison is still on and off with Steve, but they are now on a lot more than off. Maybe by the year 2000, they will be married.

Jayne took over the drilling business from dad. He married his high school sweetheart, Sue, and now the two of them travel in luxury after they made it big by accidentally hitting an oil deposit in Lake Bomoseen.

Tonya became an admiral in the navy, specializing in teaching her own kind of Dale Carnegie course. She married her commanding officer, but she's still the boss around the house.

Jim quit college to play 3rd base for the Pittsburg Pirates. On the off season, Jim runs a bar called "The Falls". The bar has a rugged appearance with a fire going in the middle and benches all around.

Jon couldn't stand being away from Paula so he went A.W.O.L. The two of them flew to Canada where they've raised a large family in which all the children have the middle name of Buckwheat.

Terry Muzzy, after graduating from P.H.S., went straight to work planning his bulldozer sales and repair shop. Terry did get married, but quickly divorced when his new bride found out that he sleeps with a bulldozer in his room.

Kathy and Mark settled down in Proctor after their marriage. Kathy is the town's newest Avon lady, but as she can't reach the doorbell, she has to knock.

Chris, after working hard at Lertola's, finally bought the place. With every new car, Chris offers a free tape deck with a complimentary Beatles tape.

Ernie has formed his own construction company. The company's crew may be a little slow, but they get the work done.

Sue Reta, who was always known for her artistic ability, has put her talents to work. She has opened her own art gallery called "Sunrise Prints" in Venice, California.

Greg, who graduated from U.V.M. magna cum laude, can now be found at I.B.M. as their chief engineer.

Denise Carver, the former Denise Schaner, has settled on her own farm in Florence where she and her husband raise chickens and little Carvers.

Shack opened Shackelford's Sleep Center. Shack has classes for all types of insomniacs and he guarantees that by the end of the course, all enrollees will be able to sleep through anything.

Hank is now a famous country and western singer. He can be heard regularly at the Grand Ole Opry in Nashville, Tennessee.

Mr. & Mrs. Bjarne and Ellie Skjetne have taken over Bud's and renamed it Mr. Buddy's. They own a big house where Ellie raises golden retrievers and horses while Barn works at the restaurant.

Sue Smith has graduated from Champlain. She has set up her own dental office in the Rutland area. It was last heard she was engaged to a fellow tooth doctor.

Walt Taz, formerly Wally Tarazewich, has made his fortune illustrating the landscapes and insects of Vermont. He now lives in a small cottage high in the hills near the Cascades.

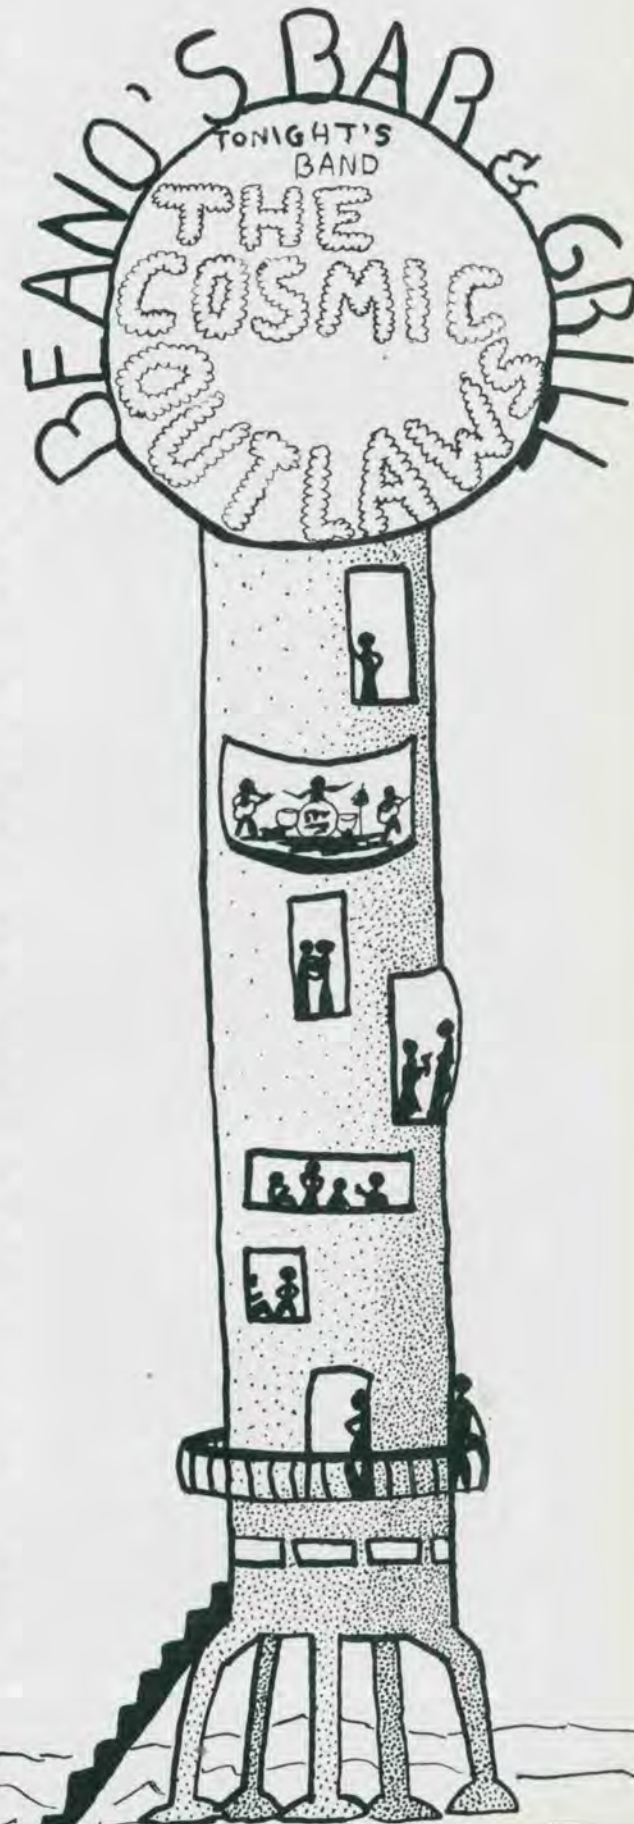

Laura has got her bachelors in psychology at Keene, her masters at Berkley, and her PHD at Columbia. She is now waiting for a leading part on Broadway and in the meantime she pan handles on the streets of NYC.

Beth has organized a club with the abbreviation of H.W.O.A., Hunk Watchers of America. She has cataloged every hunk according to their build. Her little black book is the size of the New York Telephone Directory.

Michele, who moved to Montpelier after graduation, has moved back to her old house across from PHS. She is now manager of Agway and engaged to be married.

Sherry LaPort, formerly Sherry Wheeler, is living happily on her big ranch in Chittenden. She has 8 kids now who are all A students just like Sherry.

Charlie is a millionaire living in Italy. He is very down to earth and can often be found down at the ruins with a couple sixes thinking of new ways to spend his money.

FRESHMEN

The freshmen managed to keep up their usual pace by placing fourth in the candy sale and fifth in the Winter Carnival. They raised their treasury to almost \$500 by holding two lively dances. For their community project they held a tea party and a tour of the new addition for senior citizens. Next year their goal is to be half as good as the class ahead of them.

SOPHOMORES

The sophomores proved to be as great as they and everyone else know they are, but despite their efforts they finished a close second in the candy sale and Winter Carnival. Showing they thought of others besides themselves, they did TWO community projects. One was babysitting town meeting day and the other was fixing up T and T field. Their fund raising activities included a sensational dance, a delicious breakfast, and a car wash, all of which helped raise their treasury over the thousand dollar mark. Next year they plan to reach perfection.

SEVENTH GRADE

The seventh grade had a lot of changes to make in going from grade school to high school with different subject teachers, new faces, and changing classes. Despite being scared at the beginning of the year they won third place in the Winter Carnival and candy sale and first place at the Halloween dance for having the most people in costume. The seventh graders proved that they don't give up easily by beating the eighth grade girls in the Carnival tug-of-war.

EIGHTH GRADE

This year's eighth grade has been a terrific class. They've shown this by flying past the former sophomore champions in both the Winter Carnival and the candy sale. They also nearly tripled their treasury by having two fun dances. Even though major class wars were fought, they remain a close, enthusiastic group.
